Most experiences take place outside Camp du Domaine. Remember to check the relevant page before you leave and allow plenty of time to reach the meeting point.

Meet, discover, share... A week to experience Bormes-les-Mimosas in a different way, through unique experiences and privileged access.

OUR PROMISE

*"Camp du Domaine
opens the door to the
local area."*

At Camp du Domaine, we are fortunate to be located in the heart of an exceptional part of Provence. All around us are places to discover, doors to open and people to meet.

Discovery Week was born from a desire to take you beyond the traditional holiday experience and introduce you to our local area as we love to experience it ourselves.

For a few days, we have brought together local people, producers, guides and enthusiasts to offer you experiences that can sometimes be difficult to access otherwise: step inside remarkable places, head out to sea, discover local craftsmanship, explore our heritage and share the flavours and wines of Provence.

Another way to discover Bormes: through the people who know it, cultivate it and bring it to life.

A FEW THINGS TO REMEMBER
